What is Shadow Work? What is your 7th House?

Have you ever fallen madly in love with someone then been rejected or you yourself became disillusioned?

Have you ever been so repulsed by another person's words, actions, or energy?

Do you keep falling for the same kind of person and for some reason you keep attracting them?

Do you feel polarized in your current relationship? It's all her/his fault!

If you can resonate with these questions for your own life, then ...

YOU will benefit from this WEBINAR about your Astrological 7th house. (*Marriage, Partnership and Open Enemies*).

What to Expect from the 6 Curriculum MODULES:

- 1. A Thorough Understanding of Our Shadow**, a term coined by the eminent psychiatrist, **Dr. Carl Gustav Jung**
- 2. Repeating Patterns as Mirrors — How and Why They Occur**
- 3. Complex Theory — Understanding How Our Mother and Father Complexes are involved in our relationship life**
- 4. Who and Why We Fall in Love — how to remain conscious** when going through that intoxicating experience. You will discover there is a masculine (*Anima*) and feminine (*Animus*) in all of us, (*contrasexual images*) — our invisible partners.
- 5. Astrology, a Synchronistic Model — A Tool for Self-knowledge** as it shows us a blue print of our psyche. The 7th house in your birth chart and your Venus sign and aspects describe your unique requirements in relationships and how to do them TOGETHER.
- 6. Individuation — Becoming Who We are Meant to Be —** Jung gifted us with his analytical psychology concepts that can guide us in this endeavor. The process of integrating our own opposites through our Shadow Dance Partners, will eventually lead us to what he called individuation — *wholeness*. **Not goodness, wholeness.** Jung said,

"I would rather be real than good."

YOU WILL FIND OUT WHO YOU ARE IS ORDINARY and EXTRAORDINARY and YOU are TRULY ONE-OF-A-KIND!

This course is about relating to 'others' and is not just for couples. **ALL relationships will improve** when you learn about your Shadow self. You will receive your birth chart for the course. (An accurate birth time, date and place is required).
